

marketLITE™ Series

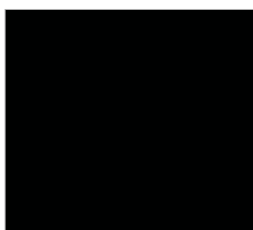

PRODUCT DESCRIPTION

marketLITE™ Series is an excellent choice for illuminating large areas, or as accent/decorative lighting. This line voltage (120V) system features long-life, energy-efficient LEDs (incandescent option also available), that provide a pleasant mood to outdoor venues, restaurant interiors, patios, etc. Once measurements are finalized, marketLITE can be easily field cut and installed by attaching special hooks on the lamp sockets to an aircraft cable or eye-hooks.
